

ST. LUKE'S EPISCOPAL CHURCH HOSTESS COMMITTEES FOR 2010

Hostess Committees are made up of [all] the women of St. Luke's Episcopal Church, unless they request to be omitted. Newcomers to the parish are added routinely. The first name under each month serves as the Team Leader. The church office will contact the Team Leader and the Hostess Committee [chairmen] Deborah Mitchell and Eileen Bray when a function is scheduled. Team Leaders will contact their Team Members as necessary for each function during their assigned month and for Wednesday suppers during Lent.

Hostess Committee Teams are responsible for any functions in MacKinnon Hall during their assigned month.

Teams may be asked to prepare for a Reception after a Funeral for a member of our Church family; or for a Special Occasion approved by Father Norman; and during Lent [two] Hostess Teams will be assigned [one] Lenten Supper. Team Leaders [together] will be responsible for planning and preparation of a simple meal; a desert; and beverages such as coffee, tea, and milk.

Duties of the Team include set-up before and clean-up after each function. The tables must be set-up in MacKinnon Hall with table cloths, table settings, and decorations if needed. Clean-up includes mopping the floor in the kitchen, running a vacuum on carpet in MacKinnon Hall; empty trash cans, and remove left-over food from the refrigerator after each function.

Ash Wednesday is February 17th a Pancake Supper will be prepared by our EYC members. **Lenten Suppers for which Teams are responsible begin on Wednesday – February 24th through March 24th.**

Traditionally the women of St. Luke's have donated the food offered for each function. However, if expenses are more than the Team can manage, please call the Church Office to make additional arrangements. If a Team spends money to purchase supplies, call the church office first to get the tax ID number and/or a purchase order number; or for the church credit card for expenses. And, please be sure to turn receipts into the Church Office [immediately] following the function.

Expenses for receptions and special occasions have not been approved yet by the Vestry, but Father Norman like to have Team expenses totaled and turned into the Church Office for accounting purposes.

If any member of a Team is unable to serve during her appointed time, we ask that she call her Team Leader as soon as she knows she is unable to serve. We have prepared a List of Substitutes [see below] who may be called upon for food preparation, and other duties as a Team Leader determines are needed.
