We currently have 8 recipients, no diabetics. Cooking and delivery teams will be notified of any changes in the number of meals to be prepared and changes in the driving directions. Please advise the church office at 482-2413 of any schedule changes for cooking or delivering, and also notify the program coordinator, Lisa deBrauwere, at 557-6328.

As you can see, we need one more cook and may need a second cook shortly. We also need substitutes to serve on short notice. Please call the church office or the program coordinator to volunteer. It will do you as much good as it does the recipients!

Thanks to everyone who participates in this outreach program for St. Luke's. It's a wonderful opportunity to make a difference in our own community!
