We currently have 9 Recipients, 3 are Diabetics. Cooking and Delivery Teams will be notified of any changes in the number of meals to be prepared and changes in the driving directions. Please advise the church office at 482-2431 of any schedule changes for cooking or delivering, and also notify the program coordinator. Please be sure to return the Cooler to the Parish Hall so it is available the following Sunday.

We need replacement volunteers to cook and drive from time to time. We also need substitutes to serve on short notice. Also, we try to deliver meals on holidays such as the 4th of July, Thanksgiving and Christmas and one-time volunteers are welcome for this ministry. Please call the church office or the program coordinator to volunteer. It will do you as much good as it does the recipients! Thanks to everyone who participates in this outreach program for St. Luke's. It's a wonderful opportunity to make a difference in our own community.
